

**INTRODUCTION**

## Message From Our Manager

Over the past few months we have seen a wonderful increase in engagement with activities, from creative sessions and games to group gatherings filled with laughter and conversation. It's especially encouraging to see residents building friendships, supporting one another, and taking such an active role in daily life.

More recently, we have also been delighted to reintroduce outings, giving everyone the opportunity to enjoy new surroundings and experiences beyond the home. These trips have sparked excitement and created lasting memories for residents and staff alike.

What stands out most is the genuine connection and kindness that continues to grow within our community. The smiles, shared stories, and meaningful interactions are what make our home so special. We look forward to building on this momentum in the months ahead, creating even more opportunities for enjoyment, companionship, and memorable experiences for everyone.

Home Manager

**ACTIVITIES & EVENTS**

## New Clubs

We are pleased to have introduced two new clubs, both of which have quickly become popular with residents.

Our knitting group has brought together those who enjoy crafting, offering a relaxed space for conversation while working on a shared project. The group is currently creating small knitted teddies to donate to hospitals and children's charities. It has been lovely to see the care and attention that goes into each one, knowing they will bring comfort to others.

At the same time, our men's club provides a more informal setting where residents can come together, enjoy a drink, play games such as dominoes and spend time socialising. These sessions have become a regular highlight and offer a good opportunity to strengthen friendships.

## Community Connections

We were delighted to receive a visit from Dalgety Bay Brownies, who brought handmade cards and painted stones as part of their kindness badge.

These thoughtful gifts were greatly appreciated and brought a great deal of joy to residents. The visit encouraged conversation and created a warm atmosphere within the home. Moments like these show the value of strong community links and the positive impact they can have on everyone involved.

## 100th Birthday Celebration

We recently celebrated a very special milestone as one of our residents reached her 100th birthday.

The occasion was marked with a party attended by residents, family and staff. Our chef prepared a buffet along with a birthday cake, and everyone came together to celebrate.

A particularly memorable moment was the arrival of a congratulatory card from the King, which added to the significance of the day. It was a warm and joyful celebration, filled with shared stories and well wishes.

## Preparing for Summer

As the weather has improved, residents have been spending more time outdoors. Gardening activities have begun, with residents planting seeds and helping to prepare the garden for the season ahead.

A recent shopping trip to the local supermarket gave residents the chance to choose plants and flowers, which has added to the sense of involvement and anticipation as we look forward to seeing the garden develop.

We also enjoyed a visit from ducklings over the Easter period, which brought a great deal of interest and enjoyment. It was a simple but memorable experience for everyone.

## Barge Trip

Residents recently enjoyed a trip on the Ratho barges along the Union Canal. The accessible boats allowed everyone to take part comfortably.

The journey offered a chance to relax and take in the surroundings, with residents enjoying the views and spotting wildlife along the way. The outing finished with a picnic, providing time to sit together and reflect on the day.

It was a well-enjoyed trip and another opportunity to create shared memories.

## Looking Ahead

As we move further into spring and towards the summer months, we are looking forward to continuing our programme of activities and outings.

We plan to build on the success of our new clubs and introduce further opportunities for residents to take part in activities that reflect their interests. Outdoor time will continue to be a focus, along with maintaining strong links with the local community.

Our aim remains to provide a supportive, engaging and welcoming environment where residents feel comfortable and valued.

Thank you for your continued support.
